

O Co.Launch

# **COHORT 11 PROGRAM GUIDE**

Many of Saskatchewan's fastest-growing tech startups began through the Co.Launch program. Co.Launch has seen companies like <u>SalonScale</u>, <u>Offstreet</u>, <u>HYON</u>, <u>Cubbi</u>, <u>Alto</u>, and <u>Cadence</u> excel amidst high competition, raising over \$10M collectively.

Co.Launch is a competitive 11-week accelerator program designed to coach early-stage founders on market validation, landing their first contract, and raising investment.

## No equity. No fees. \$20K cash up for grabs!

### **How We Support You**

1:1 Strategic Support - Weekly coaching from our team on market validation, sales, and fundraising.

Learn from the Best - Content and programming from founders and experts with real-world experience building tech companies.

Boost your Network - Get face time with Co.Labs' network of founders, experts, investors, and supporters who've pioneered building tech in Saskatchewan & worldwide.

# **The Process**

#### Apply to Co.Launch

Submit a short application about your team and idea. Qualified startups will be invited to a video interview with our team.

#### Phase 1

2. Accepted startups meet in person to focus on value proposition & the market validation process.

#### Phase 2

**3** Phase 2 is all about product development and sales. Get familiar with ICP's and work on your sales pitch.

#### Phase 3

Learn from the best of the best! Phase 3 startups gain fundraising tips from seasoned investors and coaches.

### The Grand Finale

**5** After 11 weeks, the strongest remaining startups take centre stage, putting their skills to the test in a pitch for \$20K!

#### **Co.Launch gave me the tools to build Cadence**

"I entered Co.Launch with a problem I needed to solve but no technical expertise. As a non-tech founder, Co.Launch gave me the tools I needed to start and grow Cadence. I would not be where I am today without Co.Labs and I am forever grateful."

### **Rachel Drew**

Founder & CEO, Cadence Cadence

# Requirements

- Technology startup (hardware or software)
- Pre Product-Market-Fit

Co.Launch Finale: April 22nd

Phase 3: April 3rd - 17th

# FAQs

## Do I need a team to apply?

Our program is competitive and one of the essential elements of a startup is teamwork. You don't necessarily need a team, but a strong team is a huge asset.

## Do I need a product to apply?

Nope! Co.Launch applicants range from those with just an idea to those who have a working prototype and possibly a few customers.

## Do I need to be incorporated?

Nope! We can worry about the legal aspects of the business when it becomes necessary.

# What happens if I don't make it to the next phase?

Try, try again! If you don't make it to Phase 2 or 3, you're welcome to reapply to the next cohort after hitting the necessary growth targets.

## How do I get into Co.Link after finishing Co.Launch?

The Co.Labs team will assess each startup based on an internal scoring at the end of the cohort.
